VERSE #2 - We can build a trail and we can plant a tree  
 We can run a saw and do it carefully  
 We can split a rail when we need a fence  
 We listen to the boss even when he don't make sense  
 Pulling out invasive plants really ain't no joke  
 Praying all the while that we don't get oak  
 Getting better every day at the skills we need  
 With discipline and effort we will succeed  
 With...

(CHORUS)

VERSE #3 - You might see us in the mountains; you might see us by the sea  
 There's a thousand different places we might be  
 From the Mexican Border to the Oregon Line  
 In the rain and snow or the bright sunshine  
 We don't fear Mother Nature's forces  
 While we guard her Natural Resources  
 Conservation is our command  
 That's why we are proud to stand  
 For...
